Sev- every year and the circus had Heppiler, purchas d from 3 F. spray eral tracts may now be cut off and sold at to buy new ones.

One day a keeper accidentally broke a bottle of Scott's Emulsion near the monkey I, M Chapman s of the same part cage and the monkeys eagerly 1100 head at the same price. lapped it up from the floor. This suggested the idea that it x might do them good. Since then the monkeys have received regular doses and the keepers report very few deaths from consumption. Of course it's cheaper to buy Scour's Emulsion than new monkeys-and that suits the circus men.

Consumption in monkeys and in man is the same disease. you have it or are threatened with it can you take the hint?
